

Focus the Nation is an unprecedented educational initiative on global warming solutions for America occurring at more than 1,000 universities and colleges and in all 50 states on January 30th & 31st, 2008.

FOCUS THE NATION: GLOBAL WARMING AND ITS EFFECTS ON HEALTH AND HEALTH CARE

Thursday, January 31, 2008

9:00am to 6:00pm

Cole Hall, 513 Parnassus (unless otherwise noted)

Topics:

- Mitigating, Adapting, and Suffering: How much of each as the climate changes?
- Fuel wars: Promotion of nuclear power as a “greenhouse” solution
- How does global warming affect health and health care? (City Lights, Millberry Union)
- Environmental health risks associated with the health care sector and the ecological footprint of the health care industry
- Respiratory health impacts of climate change
- Adaptation – Planning for global warming
- *The 11th Hour*, a film produced and narrated by Leonard DiCaprio
- And more!

All UCSF housestaff, students, post docs, staff, and faculty are invited to participate in any or all of the sessions.
